EXHIBITION AT THE FIU-WOLFSONIAN MUSEUM IN MIAMI BEACH

NOT TO BE MISSED IF YOU'RE IN THE AREA!!!

Designers were called upon to create interiors, furniture, and appliances that would save time and money, and that could be easily cleaned. Advertisers promoted these new products with images and slogans that held out the promise of a healthier home and pledged to make the drudgery of household chores a thing of the past. Many of these same ideas continue to interest us today.
