

Monumental Bronze Art Deco Church Candlesticks

Reference:

Description

As you can see from the pictures with the full-size bottle giving proportion, these Bronze 1920s French Church candlesticks are truly monumental in size.

Each one on its own would be impressive as a design element to an interior, and as a set of four, truly awesome.

Pure French Bronze and incredibly heavy and made for a church or chapel, the quality is first class, as is the geometric 1920s Art Deco design.

I think these would look great on a dinner table or in a fireplace. Where ever they end up, they will certainly be a talking point.
