Pair of JENGA Table Lamps

Reference:

MPD-006106
Description
Model Jenga .This table lamp is the combinasion of modernism and precious materials.

The marble and satin brass column is placed on a black Marquinia marble,the black squared silk shade makes this piece very elegant.This model can be placed in a modern interior as well as can be mixed with an antique one.

Lustrous finish on the marble ,satin brass ,electric parts in brass ,black coloured silk lamp shade with a polished golden inside, which reflects the light subtly.Braided and twisted black coloured electric cable.

An ather element that characterizes this product is its high standard of customization.There are at least 10 different sort of stones and marbles available.The lamp shade can be customized as well.
