Description
"Mark" by Michael Silver. Excellent condition, archivally matted and framed, (25 3/8" x 22"). Michael Silver, born 1947. This platinum print with hand coloring by Michael Silver is one of those images that draws you into the photograph. It almost seems that "Mark" follows you around the room. No matter what angle you view it from it appears to be viewing you at the same time. Michael has been a photographer for the whole of his working life – and before. He has worked in newspapers, in studios and labs and as a freelance photographer and printer. Beginning with glass plate negatives and being one of the first in the field to embrace digital technology, he is one of that getting-rarer breed of practitioner who has worked across the whole gamut of photography. As such, he has an unparalleled understanding and experience of the medium.
