Description
Six 1940's very comfortable industrial steel stacking chairs.  (31 1/2" H chair back, 18" H seat, 15" D seat, 14" W seat)
Excellent condition, newly powder coated in burnt orange.  Very comfortable industrial stacking chairs.  I've been using them as dining chairs and always receive compliments on their comfort.  The steel mesh seats give just enough to be comfortable for dinner and a long conversation.  May be used outside, stackable.
