Description
1950's Danish Reverse Painted Glass Topped Side Table. (Very good condition, no chips on glass, gilding on bottom of legs has faded, wear appropriate to age and use. We would be glad to re-gild the table legs if you wish. This lovely and elegant side table is an excellent example of Danish Modern design. The top is reverse painted in a shooting star pattern in blue and gold on a black ground. It is great for a lamp table with the lower shelf an excellent place to put those easy to lose remote controls.
