1940's Industrial Extension Wall Lamp

Reference:

MPD-003504
Description
1940's Industrial extension wall lamp is in flawless condition. This lovely 1940's industrial extension wall mount lamp is very versital for work or home. The lamp extends up and down a rod using a sissors mechanism and the lamp rotates from facing the wall to the floor to the room to the ceiling. It is made of nickel steel and has a warm even patina but can be polished to bright silver if desired. It is in perfect working condition and moves easily from position to position with lock thumb screws to secure the lamp in any position.
