French Art Deco 4 Light Chandelier With Copper And Wood

Reference:

MPD-006165
Description
This is a French Machine Age Art Deco chandelier with blackened verdigris copper and wood. The arms are very machine age with a cool industrial vibe juxtaposed with white French art glass shades. It measures 23,5 inches from arm to arm and 25 inches from the canopy to the bottom. The stem is made of wood and the top canopy is copper. The chandelier is in great vintage condition ready to be hung in your home!
