Description
167-CH1-NP French Marseilles Art Deco Slip Shade Chandelier Nickel Plated with Frosted Shades
167-CH2-NP French Art Deco Slip Shade Chandelier Nickel Plated with Amber Shades Reproduction of a lovely French Art Deco design five light chandelier. Magnificent glassware so typical of fine French quality, recreated from the original. The original chandeliers came from a restoration project in Seattle, in the style and quality of Noverdy and Vianne who are now out of business. Measurements: 12 1/2” tall by approx 26” diameter from shade tip to shade tip. Nice larger diameter chandelier. The basic fixture is solid brass, with a nickel plated finish. The shine of nickel is classic during the Art Deco period, and reflects the light even more. The five sockets can handle up to 100 watt incandescent bulb each, or purchase our optional LED Art Deco looking bulb 60-WW-E26 , each using only 7 watts and putting out about 75 watts of incandescent equivalent light. Makes running the close ceiling chandelier all night long, perhaps as a nite lite, very economical indeed and cool to the shades as well.
