Description
Whether it's an outstanding Art Deco or Arts & Crafts home, these nice hanging porch lights might be just the right ambiance for your fine home. Available in two finishes, there is also a matching wall porch sconce light (pictured here also) so a complete matching set can be achieved especially for a longer extended porches. The alternate finish is the popular Oil Rubbed Bronze Art Deco or Arts & Crafts Porch Light . Cast of zinc metal like the original from 1920, they have been modified only to meet the UL standard for Damp Locations, which specifies Porch lights under an porch eve. Suitable also for all indoor applications. Supplied with normal medium based sockets for incandescent bulbs, we can also make this to utilize the CFL energy saving bulbs if so desired. Price varies just slightly. Overall height is 10” with our illustrated art deco glass shade . You can buy this porch ceiling light with the art deco shade shown, or without a shade, giving you the opportunity for a different look or period style. It has a 4” fitter if you wish a different shade, or if you have an antique shade. The metal lamp parts, by itself, only measures 3 1/2" tall. The canopy is not square but rectangular and measures 4 ¼” x 4 ¾”. The fixture mounts with two canopy screws and crossbar, all of which are supplied.
