Circa 1920s French Neo-Rococo Chandelier

Reference:

Description
Circa 1920s French neo-rococo three light chandelier. Made for a smaller room as the torch shades are small and the light sockets are candleabrum within the torch shades. The fitters are 2 1/4”. Since candleabrum bulbs are used... up to 60 watts, per socket, can be applied.

Measures: 31” tall by an eleven inch diameter. Very nice chandelier for a lovely french or rococo bedroom or hallway etc.

Completely re-wired to UL standards with new american sockets and now ready to install.
The finish is old gold and original. Comes complete with the torch shades shown.
