New Reproduction Of The Lincoln Close Ceiling 5 Light Lamp

Reference:

MPD-001384
Description
This is an authentic reproduction of the Lincoln Manufacturing "Torch" style, lost wax cast brass with either an "antique" brass finish, polished brass, or nickel plated for a silver tone. When people think of Art Deco, this is the look they want. At home in arts & crafts design, as well as 1920-1940 restorations. In response to requests from customers with lower, standard ceilings and bungalows, we now offer this flush mount light, to join our suite of Lincoln Torch pendant chandelier and torch sconce, two of which are pictured here also.
