Pair of Daisy & Button Style Pattern Glass Table Lamps

Description
Nice pattern glass “near matched” pair of glass lamps with a Daisy & Button styled Pattern.

Would described these as very cute small bedside lamps being 13 1/4” tall with a 6” diameter shade. Very classy though in pattern and side lighting.

These lamps were totally re-wired, in our UL shop, with new sockets and new lead wire. The lamp harp, being a mere 4” in height, results in only a small bedside bulb being used. We prefer our round LED bulb 45G-E26 as it fits perfectly and gives very adequate bedside lighting. You can leave it on all night, as a bedside light, as it burns only 1.6 watts but illuminates as a 25 to 40 watt incandescent bulb.

Neat solution for lighting a bedroom or as ambiance corners.

Price for the pair WITH LED bulbs: $ 295.00 plus careful packing and shipping charges.
