Description
This lemonade set of pitcher and six glasses were designed in 1968 by Finish master Tapio Wirkkala (1915-1985) for the Iitala and are from his Ultimo Thule line. Inspired by melting ice, the hot glass is blown into wooden molds which gives a unique pattern. As the glass burns the wood. the 32 oz pitcher is 8” tall, the six glasses are each 8 ⅞” tall.
