Touch Tip American Art Deco Cigarette Lighter and Dispenser

Reference:

MPD-000463
Description
Ronson introduced this streamline American art deco Touch Tip cigarette lighter and dispenser in 1936. the body is chrome and enamel with speed lines and plates. The top lifts up with a three disc knob to reveal a cigarette storage area and a lever on the side dispenses the cigarettes one at a time. The Touch Tip lighting mechanism is functional. The combo sits on four chrome pad feet and is marked “Fashioned by Ronson, Newark, NJ”. It is 7 ¾” long x 4 ½” wide x 4 ½” high.
