American Art Deco Sculptural Aluminum and Pink Glass Sconces

Reference:

MPD-000138
Description
This pair of sexy American art deco sconces is from the 1930’s. Constructed of highly polished Aluminum and pink glass, the sconces each have a pink glass shade. The shades are step back with five sections. A pale pink light emanates thru the shades. Each sconce is 11” high and 5” wide. They are rewired and ready to install. There is also a matching chandelier.
