Jacques Adnet Citrus Press - Modernism Collection Piece

Reference:

MPD-006366
Description
Modernist designer and architect Jacques Adnet Citrus Press. Part of the barware range from the 1930s.
Sleek modernist design, cleverly incorporating both the horseshoe arc and metal ball which are almost signatures of Adnet into the functionality of the press.
All in good condition, including the glass element which is more often than not missing or chipped.
It'd look great on the Jacques Adnet tray we currently have for sale.
