Description
One-of-a-kind French Art Deco cocktail center attributed to noted designer De Coene Freres.

The exterior is in a gorgeous Palisander Rosewood. Engagingly beautiful marquetry of various exotic woods graces the front of this stylish cocktail cabinet. A hidden latch on the lower right bottom, with the gentle lift upward of your foot against it, releases the cabinet's door to swivel around and reveal the most stunning of bar service interiors lined in a beautiful blonde Sycamore. Two original lamps illuminate the interior upon full opening. Note: custom made frosted demi-lune shades for the lamps are on order. Mirrored interior showcases your barware to the maximum. Ample liquor storage is found on either side of the lower section, angled into the cabinet. Dimensions are 33"W x 56 1/8"T x 17 3/4"D (closed) & 30 1/4"D (opened).
