Description
Incredible original 1930's Modernist design by J. Rivaso of Mexico.

Full and complete coffee and tea service ... including all service pieces ... magnificent set is presented in solid polished brass ... includes eight pieces total!

Each piece is designed in a ribbed column shape with small flourishes on the handles. The oval tray is designed to match with a scalloped edge outer ring and curved handles sporting similar flourishes as the handles.

Expansive set includes a coffee pot with its warming holder, tea pot, separate hot water pot, creamer with lid, sugar with lid, tea bag holder, and tray.

A similar set in sterling, albeit much smaller with only 4 pieces total with dings, scratches and unhinged coffee pot lid, was available on 1stDibs for $4,800 (https://www.1stdibs.com/furniture/dining-entertaining/sterling-silver/me...).

Our service, however, is the premiere offering of them all!

Our set is in excellent original condition with absolutely no dings or dents on any of the pieces and with all lids attached and in proper working order. Our set is truly one of the most magnificent of vintage 1930's Modernist Art Deco coffee and tea services available in the nation ... or the world for that matter!
